Ballast Point Coconut Victory at Sea

Porter - Imperial • San Diego, CA • 10% ABV
Our favorite porter with just a touch of the tropics. This Coconut Victory at Sea takes our popular Imperial Porter to another place. We added sweet roasted coconut to our robust porter brewed with Caffe Calabria coffee and vanilla, the perfect complement to this beer's subtle roasty intensity. A favorite at our annual Victory at Sea Day, but it's worth enjoying anytime you need to be transported.

Ballast Point Red Velvet

Stout - Oatmeal • San Diego, CA • 5.5% ABV
Impossibly reddish in color (due to the beets) with nitro cascade fading into a pink cap of stable foam, great clarity. Seeing the beer in the glass shows the obvious resemblance to a slice of red velvet cake (red cake on the bottom topped with a layer of creamy white frosting). But the similarities don't end there. The aroma is dominated by chocolate with earthy notes of beets and subtle wafts of roast coco. The flavor is similar to the aroma but with faint roast and hop bitterness coming in at the end balance it out, not cloying or overly sweet. The mouthfeel is medium and the finish is luxuriously smooth. It's dessert served in a pint glass!

Southern Tier Choklat

Stout - American Imperial • Lakewood, NY • 10% ABV

The Popol Vuh, the sacred book of the Maya, unfolds a complex web of mystery around a beverage known as xocoatl (ch-co-atle). At Southern Tier, we're not surprised that hieroglyphs of the ancient Maya depict chocolate being poured for rulers and gods. Even through the many voyages of Columbus, the mystical bean remained nothing more than a strange currency of the native peoples. Moving through centuries, the circular journey of cacao has been realized in our brewing house, encompassing the complexity of the darkest, bitter-sweet candy together with the original frothy cold beverage of the ancient Maya to bring to you our Blackwater Series Choklat Stout. We have combined the finest ingredients to tempt your senses & renew the power & interrelation of history in every bottle. 2-row barley / caramel 60 malt / barley flakes / chocolate malt / bittersweet Belgian chocolate / kettle hops: chinook & willamette

Modern Times Beer Blazing World

Red Ale - American Amber • San Diego, CA • 6.8% ABV

This beer is a blast wave of dankness. It's hella dank sauce. It's the stickiest of the icky. It's... Alright, I'm done. It's an amber loaded up with a crapload of Nelson hops, which are some of the fruitiest, dankest, most epically aromatic hops that sweet, sweet money can buy. Despite its amber hue, this is a fairly dry beer, but it still sports a lightly bready malt backbone that lets us pile on the diggity dankness. Put it in your face.
